

## **BAR RESERVATIONS**

Bar reservations are available from 3:30 to 6:30 Monday - Friday

To book a bar reservation, we require the group to spend a minimum of \$20 per person. This "Bar Pack" is a required minimum that the group must spend in order for us to hold tables for you.

For bar parties of 30 or more you may want to pre-order appetizers from our platter menu below – in most cases we need your pre-order 2 days before your event to insure availability.

We also offer a "Beverage Package" for \$15 per person, which consists of unlimited beer, house wine and non-alcoholic beverages.

Please contact Christa Shaw @ 408-821-7267 or 408-736-2739 to book your bar party
